President's Corner

Members,

We hope you will continue to join us for the fun events and warm summer days throughout the month of August. We will continue to have volleyball, pickleball, bocce ball, boot camp, yoga and deep water aerobics.

Our board hopes you will join us at our Informative General Membership Meeting on Sunday, August 14th at 2pm at Monte Sano United Methodist church. We look forward to answering questions regarding recent events and findings along with our plans going forward to continue making our pool and club the best in town.

With school starting back our pool and grounds hours will change. Please check the website, Facebook and the monthly newsletter for up-to-date-information.

While there have been some disappointments around our pool lately, I hope you will see this a not a "loss", but as a new opportunity given to us to find new and even better ways for us to continue to live our best lives every day.

See you at the pool!

Sheila Scott, President MSCP
