Pool Operations

Our Club Managers, Brian Hunt & Don Masterson have done a wonderful job of recruiting and hiring Lifeguards and Office Staff for this season. New pay rates and incentives for superior staff performance are in the works. We are excited about the installation of a swimsuit drier and new ladder for the Lap Pool. The parking lot island is being re-landscaped to provide a beautiful garden space and easier views across the parking lot when cars and people are abundant. We ask that you not walk through the island or pick any flowers while we are watching for plants that have not sprouted yet.
