President's Corner

Members,

I hope we all can take a mindful moment to reflect what a wonderful summer we have had at the pool...winning the City Swim Meet, GO MAKOS!!!, pickle ball, bocce ball, boot camp and deep-water aerobics along all the fantastic live music...wow it has been an awesome summer!

In the upcoming months we will be starting the main pool refurbishment, hopefully installing a more permanent structure on the pool deck, creating a cover for the pig pit area and also reviewing ways to improve our parking lot and club entrance.

Please be thinking also about the upcoming nominations for open board seats...an email will be sent out in October asking you to send in your nominees.

Weather permitting we may be opening the grounds for TV football viewing and gatherings...we are still working out the logistics for these plans and will send out information as we have it.

See you at the pool!

Sheila Scott, President MSCP
Msc.president@montesano.org

Monday, September 5th

Pool Open 8am-8pm

Movie Night and Football

Viewing Schedule to be sent out ASAP...will post to Facebook and send via email.

Maintenance Updates

Next month will begin the renovation on the "Legacy pool" coating system which will keep us swimming for the next 10 years. This renovation will also include new LED lights, new lane lines and a new handrail for the shallow end steps. Once the construction begins the pool deck will be closed until next season. The grounds may still be open during this time so please be cautious around the construction area.

If anyone has any pictures, drawings or blueprints of the pool under any state of previous construction please send those to the pool board as we are trying to see what is under the pool to include the deck and crawl space.
